1. This replies to your recent letter of May 9, 1967 in which you mention your unidentified observation on April 30, 1967 and subsequent photographs. Your original negative is needed for analysis. In order to perform a scientific investigation, request you complete the attached Photographic Data sheet and FTD Form 164 when submitting your original negative. Upon completion of analysis we will return your negative along with our findings.

2. We wish to thank you for reporting your observation to the Air Force.

  
JAMES C. MANATT, Colonel, USAF  
Director of Technology and Subsystems
